

TACTICAL BUILDING SEARCH & PROBLEM-SOLVING SEMINAR

January 23 - 25, 2019 / 0800-1700hrs

Hosted by: Edgecombe Community College

Instructors from: Ventosa Kennel and East Coast Canine

Hours and Attendance:

This is a three-day seminar, 24 hours of instruction. The class will comprise both of classroom instruction and practical street work. The class will be open to Law Enforcement K-9 handlers and supervisors. Limited to 30 handler/dog teams. Spectators, including supervisors are welcomed to attend with no limits on attendees.

Topics Covered:

Classroom work will cover deployments, apprehensions, tactical approaches using trained police K-9s in building/area searches. K-9 teams will run through scenario-based problems in these areas. Instruction on proper use of bite suit, hidden sleeve and muzzle. The methods taught in this seminar allow for safer approaches to high risk deployments.
